

Energy Efficient Rear Mounted Undercounter / Benchtop Refrigerators & Storage Freezers

LUC200R / 200F

LUC350R / 350F

Features and Benefits

- **Stainless Steel Construction**
 The interior is 304 grade with coved floors.
 The exterior is 430 grade (except galvanized steel rear and base.)
 Foamed in place insulation using high density polyurethane close cell. CFC free.
- **Design**
 All units exclusively have contoured lines, rounded corners and recessed door handles for a modern, elegant look. All units have adjustable vinyl coated wire shelves with unique durable plastic shelf clips.
- **Efficient Refrigeration & Freezer Systems**
 The Lassele LUC range of refrigerators & freezers are forced draft and frost free. The condensing sets are rear mounted & the internal evaporator is configured to the full width of the interior space.
 Operating temperature (Rating at 38 °C ambient)
 -Fridge: -2°C to 4°C
 -Freezer: -18°C to -22°C
- **Other Standard Features**
 - Facia heater for condensation free convenience.
 - Self closing doors.
 - Digital thermometer.

Castors
 - 150 mm (2 lockable.) for benchtop application.
 - 75mm castors for undercounter location.
- **Options**
 - 304 grade worktop.
 - Glass doors on refrigerator models.
